Why are you
HERE?

Every School Needs an **AI Lead** in Their Building.

PART 1

Strategies & Characteristics of an AI Lead

VISION

SUPPORT

PRACTICE

COMMUNICATE

LEARN

LEAD

PART 2

Time to Explore

EXPLORE

TRY

DISCUSS

APPLY

1. VISIONARY

Helps set a clear, faith-aligned vision for responsible and purposeful AI use in the school.

2. LEARNER

Stays current with emerging developments, tools, and best practices, modeling a growth mindset.

3. RESOURCE

Curates and shares practical tools, strategies, and examples for teachers, students, and administration.

4. SUPPORTER

Provides guidance, encouragement, and troubleshooting as colleagues explore and implement AI in their classrooms and work.

5. CONNECTOR

Builds community, fosters collaboration, and facilitates conversations about opportunities, challenges, and next steps.

6. IMPLEMENTER

Helps turn ideas into action through pilot projects, policies, and professional learning opportunities.

SIX ROLES
— OF AN —
AI LEAD

Which two roles might you gravitate towards more? Why?

1. VISIONARY

Helps set a clear, faith-aligned vision for responsible and purposeful AI use in the school.

2. LEARNER

Stays current with emerging developments, tools, and best practices, modeling a growth mindset.

3. RESOURCE

Curates and shares practical tools, strategies, and examples for teachers, students, and administration.

4. SUPPORTER

Provides guidance, encouragement, and troubleshooting as colleagues explore and implement AI in their classrooms and work.

5. CONNECTOR

Builds community, fosters collaboration, and facilitates conversations about opportunities, challenges, and next steps.

6. IMPLEMENTER

Helps turn ideas into action through pilot projects, policies, and professional learning opportunities.

SIX ROLES
— OF AN —
AI LEAD

**Which roles might provide
the most significant
challenges? Why?**

1. VISIONARY

Helps set a clear, faith-aligned vision for responsible and purposeful AI use in the school.

2. LEARNER

Stays current with emerging developments, tools, and best practices, modeling a growth mindset.

3. RESOURCE

Curates and shares practical tools, strategies, and examples for teachers, students, and administration.

4. SUPPORTER

Provides guidance, encouragement, and troubleshooting as colleagues explore and implement AI in their classrooms and work.

5. CONNECTOR

Builds community, fosters collaboration, and facilitates conversations about opportunities, challenges, and next steps.

6. IMPLEMENTER

Helps turn ideas into action through pilot projects, policies, and professional learning opportunities.

SIX ROLES

AI LEAD

Choose Your **AI Leadership** Exploration

LEARNER

Explore a Substack and find one idea worth sharing.

EXPERIMENTER

Test AI on one recurring professional task.

CURATOR

Find three useful AI resources to share.

COACH

Plan one manageable next step for a colleague.

EVALUATOR

Evaluate one tool: adopt, pilot, restrict, or avoid.

CONVENER

Plan one important AI conversation for your school.

Choose one role. **Try the suggestion—or explore your own idea.** Use the next 20 minutes well.
